

STAR-K CERTIFICATION INC.

10/24/2021

Cheshvan 18 5782

To Whom It May Concern,

KosherWise is a comprehensive and research-based Kosher online training platform that was developed with the guidance of Star-K Rabbinic authorities. All Kosher guidelines outlined in the course materials are in compliance with Star-K policies.

We recommend KosherWise training in factories, restaurants, grocery stores, catering businesses, and anywhere there is Kosher certification. Enhanced compliance will reduce recalls and instill trust in customers.

Sincerely,

Dr. Avrom Pollak
President
